WATER LINE BREAK QUESTIONNAIRE

Entity: _____ Claimant: _____
Date of Loss: _____ Location: _____

Employee Contact Info: Name: _____
Phone Number: _____
E-mail: _____

What seemed to be the cause of the water line break at or near this location, in your opinion? _____

What is the depth of the line at the point where it broke? _____

How old was the pipe that broke? _____

Is the area mentioned above known to be a "problem area" for water line problems?
Yes No

If you answered "yes," please explain below. _____

Was there any digging being performed in the area that may have caused the line to break? **Yes No**

If you answered "yes," please state who was performing the digging, if known. _____

Was there any way to avoid the damage to the claimant's property? **Yes No**

Please explain: _____

Do you feel your entity or employee's actions were responsible for the damages for this loss? **Yes No**

Please explain: _____

Has your city or town budgeted for the replacement of its water lines? **Yes No**

Has your city or town applied for grants for the replacement of its water lines?
Yes No

Has your city or town considered raising user fees to update water infrastructure?
Yes No

Multiple issues with the same line may constitute negligence on the part of the city or town if more frequent attention is not given to the line or if budgeting for replacement of the line is nonexistent.
